APRILE 2023

[illegible]

The site plan for Cascinà Pista shows a central building complex with several colored zones: a red zone (1) at the top left, a grey zone (2) at the top right, a yellow zone (3) in the center, and a blue zone (4) at the bottom right. A pink dashed line outlines a specific area within the complex. The building is surrounded by a red dashed line, and there are various parking areas and access roads indicated by dashed lines. The surrounding area includes a road, a river, and other buildings.

Cascina Tinivella

The diagram is a detailed architectural site plan for the Cascina Rattera. It features several distinct colored areas: a large green triangular zone at the top, a large pink L-shaped zone in the center, a yellow rectangular zone at the bottom left, and a red rectangular zone at the bottom right. These zones are further divided into numbered sections (1 through 5). The plan also shows a network of roads, including 'STRADA RATTERA' and 'B.ra Rattera (ramo dx)', and various building footprints and structural elements. A dashed pink line outlines a specific area within the pink zone, and a dashed red line outlines the entire pink and yellow/red area. The plan is oriented with a north arrow pointing towards the top right.

Cascina Venturina
scheda CA5

The architectural site plan for Cascina Consolata illustrates a complex of buildings and green spaces. The buildings are color-coded: a red building labeled 'B', a pink building labeled '1', and a brown building labeled '2'. There are also smaller grey and light blue buildings. The plan includes a green area on the left, a central green area with a small pond, and a green area on the right. A blue arrow indicates a path or road. The plan is surrounded by a dashed line, and there are labels for 'Chiabotto Consolata' and 'Cascina Consolata'.
